About Albert The Albatross:

Albert the Albatross is on a journey sharing wisdom and Knowledge while traveling around the world. On the way he will meet and greet lots of his friends and we will learn what they do, and why they do it (and what Albert thinks about it all)A rhyming story for the young and old !

About the Author:

Oscar Redden IV is the author of "Albert the Albatross: Attitude Equal Altitude"- a book developed to function as a blueprint to teach and inspire the youth about the values of integrity and respect. Oscar grew up in Sanford, Florida- a close-knit community where everyone knows each other, and family is monumental. Oscar has a Master's in Business Administration from Saint Leo University and has spent over 6.5 years in Logistics with Walmart Supply Chain. Oscar believes that a positive attitude is more important than all skill-set and is the X-factor to achieving your dreams. Recently, Oscar transitioned his career and is now a 5th Grade: Math and Science teacher. There he continues to share his influence about the power of a positive attitude and motivates the youth to be the best representation of themselves. He currently lives in Ocala, Florida with his fiancée . Please visit his website at [Albert The Albatross](#).
